

THE HIGHLAND TABLE

BERRIMA SCHOOL FUNDRAISER COOKBOOK

Did you know our Kitchen Garden Program is entirely funded by the Berrima school community with no grants or government funding?

In order to raise vital funds and keep this amazing program going for our children, we have put together a beautiful 160 page colour cookbook.

Filled with family recipes collected from parents, grandparents and restaurants of Berrima Village, this book is a wonderful gift idea for Mother's Day.

\$29.95
