WEEK 5

Growing hearts and minds of lifelong learners

SCHOOL UNIFORM SHOP

A reminder that the uniform shop is closed for walk-in buying under current guidelines. All orders can be made through the front office. You can find an order form on our school website, drop it into the office or email it through and we will arrange your goods as soon as possible. Special arrangements will be organised later in the term for our new kindergarten families.

Thank you Annika

SEMESTER 2 REPORTS

Your child's report will be adjusted in recognition of the impact of learning from home and at school during Term 3 and 4, 2021. Reflecting the many adjustments required from students, parents and schools these reports will not grade student achievement using the A-E scale. The teacher comment will be personally addressed to your child, describe their progress and achievement in the learning covered and identify what can be done to support their learning growth. Reports will go home in Week 8.

CHECK-IN ASSESSMENT

This week the Year 3-6 students will participate in a reading and numeracy Check-in assessment. The Check-in assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to assess and monitor student learning. The assessments can supplement existing school practices to identify how students are performing and to help teachers tailor their teaching more specifically to student needs.

LOST PROPERTY

We have a number of clothing items waiting for their owner to collect them from the lost property tub! Please make sure your children's clothes are clearly labelled so that we can support them in taking responsibility for their belongings.
