**WEEK 9**

### LANTERN WALK

Our annual Lantern Walk is fast approaching and we can hardly wait! There are a few items that need to be organised so that this special event can run smoothly.

- **Dinner orders need to be returned TODAY!!!**
- WE NEED MORE VOLUNTEERS! Can you help? Please use the following link if you are able to volunteer to help set up, serve in the kitchen or pack up: <https://forms.gle/UduPFzbC7SQ9dKXM8>

We ask all visitors on the night to come along with:

- Sturdy foot-wear and warm clothing
- A lantern - Please make sure your family have their own lantern to carry on the night. (No torches for children please)
- A small torch for an adult's pocket, only in case of difficulties on the walk.
- Medications for students (sometimes the cold air can be an asthma trigger)
- Cash for machine coffee/ extra food items (limited availability)/Raffle

To ensure the comfort, safety and enjoyment of all, please assist us with the following:

- Parents/carers are responsible for supervising their children on the night.
- Please ensure your children **stay in the lit eating area prior to the start of the walk.**
- Your children must stay with you or another adult through-out the walk and move at a walking pace
- Soft lights are part of the ambience of the track so please don't allow children to use torches.
- You are welcome to walk the track more than once, but when you exit please ensure your children do not re-enter without you.
- Ask your children to respect the installations by looking but not touching.

### ART WORKSHOPS

As a culminating activity we are very lucky to have a number of our visiting artists return on Wednesday June 29. We are very excited to be offering our children the choice of 2 workshops to introduce them to some new skills and experiences.

### TERM 3 CURRICULUM FOCUS ~ PDHPE
